

33-Day Preparation for Consecration to St. Joseph

St. Joseph is our spiritual father and the source for what is needed in our world today, as we transform our lives, searching for God's truth, peace and hope. Father Donald H. Calloway's newest book on "The Wonders of our Spiritual Father" will teach us, with the help of St. Joseph, to place God above all things, strive for purity of heart and maintain a profound interior life with boundless confidence in God's unchanging Love and Truths. Consecration to St. Joseph will help us to become like him and serve our families, our community and our entire world.
